

SCHOOLEY
MITCHELL

TESTIMONIAL: Bhargavi Rajesh

The drive to run a successful business with a meaningful mission and self-defined vision is the reason I wanted to be a part of this great institution. Prior to joining Schooley Mitchell, I did due diligence for many other business opportunities, but Schooley Mitchell's concept was one that completely resonated with my experience as a finance professional with CMA designation.

I'm a mother of two teenage boys and my spouse is very well accomplished in his career, which results in a high demanding household. Accordingly, a corporate career does not tick all the boxes for me. The investment I made back in November 2019 to become a Schooley Mitchell Franchisee did, taught me how to be a successful entrepreneur, and is helping me thrive better year over year in my business.

The support I get from Head Office is incredible and the sense of belonging I feel in this community with the other amazing Franchisees gives me strength when it comes to handling any challenging situations. They are great at celebrating each other's successes and sharing what they have learned.
